

Bourryto's

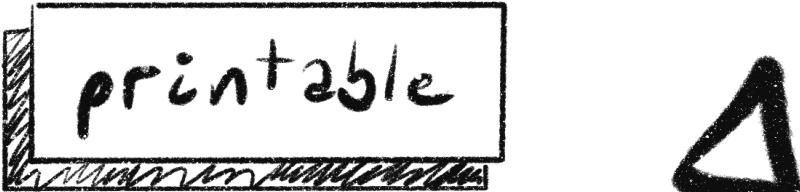

Advent
Calendar

2023

printable

Intro

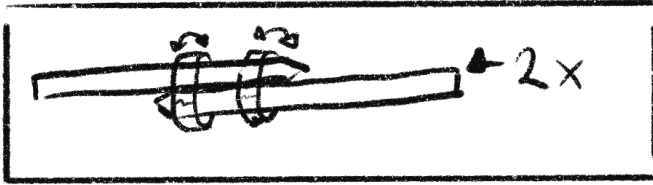

Welcome to my 2023
advent calendar!

Over 24 Days we will
build paper figures that
we assemble into a
mobile or, if you can't
or don't want to hang one,
a garland.

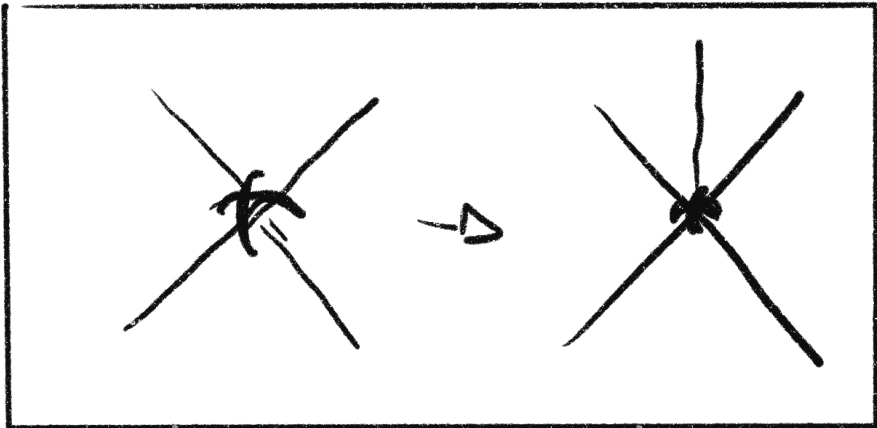

Every time you've assembled
a part, you can add it by
threading the string through
the figure.

Setup Instructions

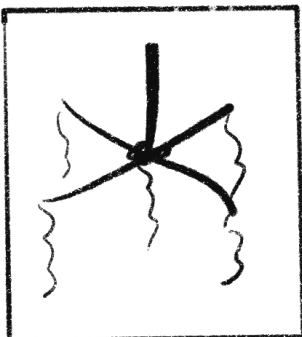

1. Tape 2 skewers together (2x)

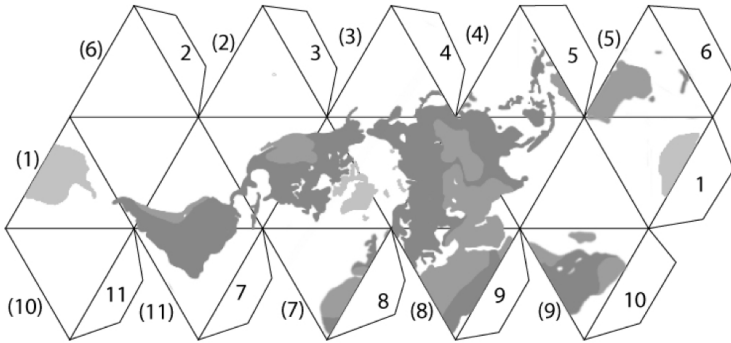

2. Bind Both into a cross

3. Bind ~30cm strings on all 4 ends and the middle
